Dear organizers of the NEEFood-2013 Congress! I would like to thank you for the opportunity to meet with our European colleagues, with members of the GHI, to exchange of the experiences and discuss the results of our researches in the most important areas of foodstuffs production. Special thanks to the students of your university for the Europe Day festival! They are very creative and incredibly talented! At the end of my visit, we were able to discuss about cooperation agreement between the

My personal thanks for the help and support of Tatiana Mostenskaya, Yaroslav Zasyadko, Irina Volovyk and Elena Klimova!
